Baltic Journal of Law & Politics (BJLP) is a scholarly journal, published bi-annually in electronic form as a joint publication of the Faculty of Political Science and Diplomacy and the Faculty of Law of Vytautas Magnus University (Lithuania). BJLP provides a platform for the publication of scientific research in the fields of law and politics, with a particular emphasis on interdisciplinary research that cuts across these traditional categories. Topics may include, but are not limited to the Baltic Region; research into issues of comparative or general theoretical significance is also encouraged. BJLP is peer-reviewed and published in English.
