Scientific committee and the Department of Business Excellence, the Faculty of Economic Sciences and Management of Nicolaus Copernicus University in Toruń, have a great pleasure to invite you to participate in 4th International Scientific Conference: “Positive management and leadership in socially responsible organisations" to be held on 12 of September 2019 in Toruń.

Conference topics for presentations and papers include:
- Positive management including: interpersonal relationships, intra-organisational communications, trust, organisational citizenship behaviours;
- Leadership including: contemporary concepts of leadership, roles played by top, middle and first line managers, challenges (both external and intra-organisational) faced by leaders in business organizations, the public sector, and non-profit organizations;
- Corporate responsibility to employees and other stakeholders, organisations in business environment, society and the natural environment.

Papers submitted to the conference and peer-reviewed will be published in Journal of Corporate Responsibility and Leadership. Please keep in mind that all abstracts and final papers must be in English, whereas oral presentations given during the Conference can be delivered in English or Polish.
